

Clark County Nurse

On-Call and Part-Time Positions Available

Do you need extra money? Would you like to make your own schedule?

The Clark County Sheriff's Department is seeking L.P.N's or R.N's to fill on-call and part-time positions.

Correctional nursing provides an opportunity to continually use and develop both clinical and triage skills. Duties include: provide medical treatment and care to ill, injured or disabled persons in the Clark County Jail; keep and update medical files; and assist attending physician. As a Clark County employee you will participate in the Public Employee's Retirement System

If you would like to make extra money while working a flexible schedule you can design yourself, don't miss this opportunity.
